Teaching and Learning with Adolescents TASS Middle School Workshop Series

Workshops Designed by Susie Girardin for Middle School Educators & Leaders

Designing Learning Opportunities for Adolescents - October 20, 2014

This workshop is designed to help all educators, grades 5 – 9, design effective curriculum, instruction, assessment and ways of teaming specifically tailored to the unique needs and cognitive development of middle level learners.

Self –Directed Teaching and Learning - January 26, 2015

This workshop will give participants specific strategies and tools to support students in grades 5-9 become more self-directed and purposeful in their learning. Examples and models will be highlighted along with how they relate to developing personalized learning plans and project-based learning efforts.

Common Core Literacy Standards across All Content Areas - March 16, 2015

This workshop will provide educators in all content areas grades 5-9, opportunities to learn and practice a variety of tools that support all students learning and applying skills in reading, writing, speaking and listening.

The TASS Middle School Program is part of the *Teaching All Secondary Students* (TASS) program focused on supporting middle and high schools in their efforts to improve the outcomes for all students.
