

Teaming – The Very HEART of Middle School

Presenter: Susie Girardin

This workshop is designed for teams that wish to become more unified, more focused and more successful with the 9 to 14 year olds they work with and enjoy. Teams, or reps from teams, will create the following products:

- A vision and goal statement
- A handbook design for parents and students
- A year-long draft for curriculum integration
- A model for instruction across all content areas
- A team identity and culture structure
- A shared set of common expectations and routines
