

• Teaching Social Communication for Students with Autism Spectrum Disorders •

Presenter: Julie Erdyli

This workshop is for teachers, parents or caregivers of people with Autism Spectrum Disorders who want to increase their knowledge about social communication and how to teach it. Content includes information about foundational skills such as theory of mind and joint attention, as well as descriptions of social communication profiles. Participants can expect to learn about and practice evidence based teaching practices such as:

- story based interventions
- naturalistic teaching
- schedules
- modeling

Date: November 7, 2014

Time: 8:30-3:30

Place: Capitol Plaza,

Montpelier, VT

Cost: \$175 (includes lunch)
