

• Tips and Tools for Early Childhood Special Educators •

Presenter: Judith Masson, M.Ed.

A day in the life of an Early Childhood Special Educator (ECSE/EEE) is always busy! Each is chock-full of teaching, meetings and paperwork responsibilities. This becomes even more complex for those working in multiple settings and teams. Managing it all (and still finding time for lunch) can sometimes feel like a daunting task.

This two-day workshop series will sharpen your skills & add to your toolbox as we walk through the special education process. It will offer organizational tools & strategies related to each step to maximize your time and energy. We will discuss the daily operations and responsibilities of being a preschool case manager/service provider and brainstorm cost-effective, time-smart approaches. Additionally, each day will include a “make & take” session for creating materials that you can start using your next day at work. Attendees may attend one or both workshops

Workshop #1 October 4, 2018 Developing Understanding

During this workshop we will explore tips and tools related to...

- Early childhood special education evaluation, placement and IEP processes;
- Case management responsibilities, such as facilitating meetings, monitoring progress/educational benefit, family engagement, etc. and
- Service delivery models for special education.

Workshop #2 November 7, 2018 Application

During this workshop we will explore tips and tools related to...

- Lesson plans, data collection & evidence-informed programming decisions;
- Paraprofessional supports and consultation; and
- Transitions into early childhood special education, as well as kindergarten.

Judith has been an Early Childhood Special Educator for 20 years with North Country Supervisory Union in the Northeast Kingdom. Most of her work focuses on supporting preschool families, teachers and paraprofessionals across a variety of preschool settings within an itinerant service delivery model.

Dates: 10/4/18 & 11/7/18

Place: Trader Duke’s Hotel,
 South Burlington

Cost: \$190 for one workshop;
 \$380 for both workshops
